

STEWARDSHIP: A Way of Life

"Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared..." - Nehemiah 8:10

Ezra's instructions to the people show us that God does not forbid us from enjoying the good things in life. However, He expects us to share our blessings with those who are in need.

We are grateful for your gift to God and your continued support and sacrifice to our parish.

WHAT CATHOLICS WANT TO KNOW

Third Sunday in Ordinary Time

In the first reading, Ezra gets a strange reaction from the people to whom he reads the book of the law. First they lay down, with faces to the ground, and then they all are weeping. Remember the background of this reading: The people of Israel had returned from exile and needed to become a unified nation. Many probably didn't know that they had been breaking the law. Others might have been overwhelmed with all the requirements of the law.

Ezra and Nehemiah console the people by reminding them that their return makes this a day "holy to our Lord." (Neh 8:10) He adds that they would get strength from "rejoicing in the Lord." That may be good advice for us also.

We might find ourselves so trapped in sin that we think we could never be forgiven. We need to remember that Jesus loved sinners so much, He gave His life on the cross to free us from sin. No sin can be so bad that God's love cannot forgive it. In fact, the more I have to repent, the more God wants to forgive. So we can rejoice in the Lord's forgiveness and His Spirit will give us the strength to change our lives.

And what about those who find the law overwhelming? That can be because we have forgotten Jesus' saying that all of God's laws are contained in the command to love God and love our neighbor as we love ourselves. The more we come to accept God's presence in our lives and see Him in others, the easier it becomes to keep the law of love.

THANK YOU from SVP

The St. Vincent de Paul Society of St. Clare of Assisi wish to thank all of our parishioners for your continued generous support of the Jesse Tree this past Advent season. Our pantry was and is full, plus the gift cards you donated ensured all of our client families a very Merry Christmas. Also a special thank you to those parishioners who sponsored in need families with Christmas gifts for all.

Due to such a generous bounty of food in our pantry we will not be needing food items the 1st Sunday of February (2/7/10). We will advise you of our needs at a later time. Our prayers of thanks to all of you on behalf of our clients in their time of need.

CATHOLIC SCHOOLS WEEK is January 31st - February 5th. We will begin the week with KIDS' MOVIE AFTERNOON for grades K-3 on Sunday. OPEN HOUSE will be held on Wednesday from 9-10:30 and from 1- 2:30. You are welcome to tour the school and visit your child's classroom. All School Mass will be on Thursday, and Friday we will end the week with KIDS TRIVIA for grades 4-8.

We are very proud of our strong tradition of quality Catholic Education, and look forward to sharing our school with the community. Please feel free to invite a friend or neighbor to any of these events if they are interested in learning more about St. Clare School.

* Jan 29th re-enrollment forms for current school families will be sent home in the Friday folder. They must be returned by Feb 12th.

The **first graders'** religion unit this week is called We Are God's Children. They are learning that people everywhere are God's children and that He created and loves us all.

The **third graders** are preparing for Immigration Day, to be held on Wednesday, Feb 3rd from 8:15-10:00 during Open House.

The **fifth grade** is sponsoring the January service project by collecting gently used books for Our Lady of Guadalupe School. This is a wonderful way to help other children foster the love of learning, so please go through your old books and recycle them for a good cause!

In Social Studies, the **fifth graders** have been busy performing their songs and poems for the Native American Idol project, and the **sixth graders** recently finished their St. Louis Historic Structure project. Both classes have their works on display in the middle school building. The **sixth graders** have also been using their fraction skills to make tag board bird houses. They will be on display during Catholic Schools Week.

URGENT: USCCB NATIONWIDE BULLETIN INSERT

Stop Abortion Funding in Health Care Reform!

Protect Conscience—Ensure Affordable Health Coverage

Allow Immigrants to Purchase Private Health Insurance

As long-time advocates of health care reform, the U.S. Catholic bishops continue to make the moral case that genuine health care reform must protect the life, dignity, consciences and health of all, especially the poor and vulnerable. Health care reform should not advance a pro-abortion agenda in our country.

- On November 7, the U.S. House of Representatives passed major health care reform that reaffirms the essential, longstanding and widely supported policy against using federal funds for elective abortions and includes positive measures on affordability and immigrants.
- On December 24, the U.S. Senate rejected this policy and passed health care reform that requires federal funds to help subsidize and promote health plans that cover elective abortions. All purchasers of such plans will be required to pay for other people's abortions through a separate payment solely to pay for abortion.
- Outside the abortion context, neither bill has adequate conscience protection for health care providers, plans or employers.
- These two bills must now be combined into one bill that both the House and Senate will vote on in final form. Provisions against abortion funding and in favor of conscience protection, affordability, and immigrants' access to health care must be part of a fair and just health care reform bill, or the final bill must be opposed.

ACTION: Contact your Representative and Senators today by e-mail, phone or FAX.

• **To send a pre-written, instant e-mail to Congress go to www.usccb.org/action.**

• Call the U.S. Capitol switchboard at: 202-224-3121, or call your Members' local offices.

Contact info can be found on Members' web sites at www.house.gov & www.senate.gov.

MESSAGE—HOUSE:

"I am pleased that the House health care bill maintains the longstanding policy against federal funding of abortion. I urge you to work to uphold essential provisions against abortion funding, to include full conscience protection and to assure that health care is accessible and affordable for all. Until and unless these criteria are met, I urge you to oppose the final bill."

MESSAGE—SENATE:

"I am deeply disappointed that the Senate health care bill fails to maintain the longstanding policy against federal funding of abortion and does not include adequate protection for conscience. I urge you to support essential provisions against abortion funding, similar to those in the House bill. Include full conscience protection and assure that health care is accessible and affordable for all. Until and unless these criteria are met, I urge you to oppose the final bill."

WHEN: Votes in the House and Senate on the final bill are expected in January.

Act today! Thank You!
